PROPOSED METHOD OF HEARING: The Motion is to be heard by videoconference

THE MOTION IS FOR *(State here the precise relief sought)*

- (a) An Order abridging the time for service and filing of this Notice of Motion and Motion Record, validating service of the Notice of Motion and Motion Record, and dispensing with further service thereof;
- (b) An Order approving the Sixth Report and the activities of the Receiver set out in the Sixth Report;
- (c) An Order authorising the Receiver to take such steps as may be necessary to sever the Real Property into three separate parcels;
- (d) An Order approving the Receiver's statement of disbursements for the period from April 20, 2021 to November 4, 2021; and
- (e) Such further and other relief as to this Honourable Court may seem just.

THE GROUNDS FOR THE MOTION ARE

- (f) By Order of Justice Pattillo dated April 20, 2021, Rosen Goldberg Inc. was appointed as non-possessory interim receiver of the Real Property;
- (g) By Order of Justice Pattillo dated September 20, 2021, Rosen Goldberg Inc.'s appointment as interim receiver was converted into a 'full blown' receiver of the Property;

- (h) The Real Property is a 5.3 acre lot in Angus, Ontario, in the Township of Essa (the “**Township**”). It is partially improved and was being developed by the Debtor into a mixed-use office and retail plaza;
- (i) As of the date of Rosen Goldberg Inc.’s appointment as interim receiver, the first phase of construction of a gas station, convenience store, and two other buildings to be occupied by Starbucks, Mucho Burrito, KFC and A & W, had not been completed;
- (j) The second phase of construction had not been fully planned, though some general infrastructure work had commenced;
- (k) Since its appointment as ‘full blown’ receiver, among other things, the Receiver has had the watermain connected to the Township’s water supply, taken steps to commission the sanitary pumping system, communicated and updated the restaurant tenants regarding progress of site work, engaged an architect and engineer to assist with completing drawings and obtaining permits for completing the gas station and convenience store, and has evaluated proposals from contractors to complete the gas station;
- (l) The restaurants are expected to commenced operations imminently, except for Mucho Burrito whose interior work is nearly complete;
- (m) On November 27, 2020, the Township granted provisional consent to the severance of the Real Property;

The leased buildings lands will be the other severed parcel and the Phase 2 lands will be the retained parcel;
- (o) The severing of the Real Property in this manner is expected to considerably improve recoveries for the Debtor's estate. The Receiver, therefore, recommends that it be authorised to take such steps as may be necessary to meet the conditions in the Notices of Decision or make arrangements satisfactory to the Township on or before November 26, 2021, including, without limitation granting such easements as may be required, and incorporating two companies to take title to the severed lots. The Receiver proposes to convey each severed parcel to a company and to hold the shares of such company in its name;
- (p) All major issues that have caused delays and costs overruns have now been identified and the project should proceed to completion without further delays or surprises;

SIXTH REPORT OF ROSEN GOLDBERG INC.

November 9, 2021

I INTRODUCTION

1. By Order of Justice Pattillo dated April 20, 2021 (the “**IR Appointment Order**”), Rosen Goldberg Inc. was appointed as non-possessory interim receiver (in such capacity, the “**Interim Receiver**”) of certain real property of the Respondent Mill Street Ventures GP Ltd. (the “**Debtor**”) municipally known as 305 Mill Street, in Angus, Ontario (the “**Real Property**”) pursuant to section 47 of the *Bankruptcy and Insolvency Act* (the “**BIA**”). A copy of the IR Appointment Order is attached as **Appendix A**.

2. By Order of Justice Pattillo dated May 14, 2021, a copy of which is attached as **Appendix B**, the Interim Receiver’s appointment was extended until further Order of this Court.

3. Pursuant to an Expanded Powers Order of Justice Pattillo dated September 20, 2021, the Interim Receiver’s powers were expanded and it was appointed ‘full blown’ receiver and manager (in such capacity, the “**Receiver**”), without security, of all of the assets, undertakings, and properties of the Debtor, acquired for, or used in relation to a business carried on by the Debtor, including the Real Property, and all proceeds thereof (collectively, the “**Property**”), pursuant to section 243 of the BIA and section 101 of the *Courts of Justice Act* (the “**CJA**”). A copy of the Expanded Powers Order is attached as **Appendix C**. A copy of Justice Pattillo’s endorsement dated September 9, 2021, pursuant to which the Expanded Powers Order was granted, is attached as **Appendix D**.

4. This Sixth Report is Rosen Goldberg Inc.’s first report as ‘full blown’ receiver and manager of the Property.

II TERMS OF REFERENCE

5. In preparing this Sixth Report, the Receiver has relied upon information from third party sources (collectively, the “**Information**”). Certain information contained in this Sixth Report may refer to, or be based on, the Information. As the Information has been provided by other parties, or obtained from documents filed with the Court in this matter, the Receiver has relied on this Information, and to the extent possible reviewed the Information for reasonableness. However, the Receiver has not audited or otherwise attempted to verify the accuracy and completeness of the Information in a manner that would wholly or partially comply with Generally Accepted Assurance Standards pursuant to the CPA Canada Handbook and, accordingly, the Receiver expresses no opinion or other form of assurance

in respect of the Information.

III PURPOSE OF THIS REPORT

6. The purpose of this Sixth Report is to provide an update on the status of the Property since Rosen Goldberg Inc. appointment as ‘full blown’ receiver on September 20, 2021 and to set out the grounds for its recommendation that it be authorised to take such steps as may be necessary to sever the Real Property into three separate parcels.

IV BACKGROUND

7. The Real Property comprises a 5.3 acre lot located on a main thoroughfare in the neighbourhood of Angus, in the Township of Essa (the “**Township**”).
8. The Real Property is partially improved, and was being developed by the Debtor into a 45,600 square foot mixed-use office and retail plaza.
9. At the date of the IR Appointment Order, the first phase of construction (“**Phase 1**”) of a gas station, convenience store, and three other leased buildings, was nearing completion. Of the three leased buildings, one was to be occupied by Starbucks and Mucho Burrito. The other two buildings were to be occupied as standalone KFC and A & W restaurants. The gas station required considerably more work than the other three buildings. No arrangements had been made with any end-user of the gas station.
10. The second phase of construction (“**Phase 2**”) was not fully planned, though some general infrastructure work had commenced. Completed improvements in respect of Phase 2 were limited to certain internal servicing, including storm-water receptors, sanitary pipes, and fire hydrants. Planners and consultants had been engaged by the Debtor to assist in seeking site plan approval.

11. The Interim Receiver's appointment was sought by the Applicants/subordinate mortgagees, in part, to overcome a halt in construction of Phase 1 because DUCA Financial Services Credit Union Ltd. ("DUCA"), the first-ranking secured creditor, had ceased funding under its construction loan, and made demand for payment in full of its loan.
12. The Interim Receiver's primary mandate was to facilitate the resumption and completion of construction of Phase 1, although the IR Appointment Order prohibited it from taking possession of the Real Property without further Order of the Court.
13. It became apparent to the Interim Receiver that the project's delays and costs overruns arose due to a lack of supervision, poor work on the part of sub-contractors and liquidity issues facing the Debtor. The Interim Receiver proceeded to engage replacement trades, obtain topographical reports which identified deficiencies, and proceed with remediating the deficiencies. As problems were uncovered by the Interim Receiver below grade, dates to complete site services were pushed out and construction costs increased.
14. On September 9, 2021, Justice Pattillo heard competing applications by DUCA, on the one hand, and the Interim Receiver's 'DIP' lender, Rescom, who had been funding the completion of Phase 1, on the other hand, for the appointment of a 'full blown' receiver over the Property pursuant to section 243 of the BIA and section 101 of the *Courts of Justice Act*.
15. As a condition of the Rosen Goldberg Inc.'s appointment, Rescom offered to pay \$2 million to DUCA in partial reduction of DUCA's indebtedness under its first mortgage. The payment of \$2 million to DUCA was made on September 20, 2021.

V RECEIVER'S ACTIVITIES

16. Rosen Goldberg Inc. has undertaken the following activities since its appointment as 'full blown' receiver on September 20, 2021:

- Engaged a project manager to oversee construction;
- Attended at the Real Property on multiple occasions;
- Had ongoing dealings with contractors;
- Reviewed and approved budgets and timelines;
- Approved payments;
- Met with the project's engineers and architects;
- Had ongoing consultations with Rescom and the Applicants;
- Communicated with unsecured creditors;
- Communicated with Blake Larsen, the Debtor's principal;
- Dealt with Petromaxx Petroleum Contractors Ltd. ("**Petromaxx**"), the former project manager, regarding transitional issues;
- Dealt with a municipal planner, a surveyor and with the Township of Essa regarding obtaining severances;
- Communicated and met with Parkland Fuels Inc. ("**Parkland**") regarding the gas station;
- Dealt with matters related to the construction of the gas station;
- Prepared the Receiver's statutory report;
- Dealt with HST;
- Had ongoing communications with its legal counsel;
- Communicated with tenants on an ongoing basis; and
- Dealt with banking and bookkeeping.

VI PHASE 1 CONSTRUCTION

Site Services

17. As reported in Rosen Goldberg Inc.'s Fifth Report, a copy of which is attached (without

appendices) as **Appendix E**, the installation of a sanitary pumping station and a watermain was required to be completed immediately as a first step toward achieving completion of Phase 1. The watermain installation was completed, but there were delays in connecting the watermain to the Township water supply caused by the contractor retained by Petromaxx. The Receiver replaced that contractor. The watermain is now connected and water is flowing to the Real Property.

18. The Receiver experienced delays in connecting the sanitary pumping system to the buildings. The delays arose because Petromaxx moved the location of a tank and the cables that were originally ordered for the tank were not long enough to reach the electrical panel. To remedy the problem, the Receiver engaged Xylem Canada LP to obtain the appropriate cables, which were installed and connected during the week of October 25, 2021. The sanitary pumping system is now being commissioned.
19. Surface works, including installing granular base, curbs, sidewalks and the asphalt surface, which were delayed because the Debtor had failed to obtain a topographical report, have now commenced. Curbing is complete and main sidewalks have been poured and completed. Final grading is underway and asphalt will be laid during the week of November 8, 2021. Light standards are presently being installed.

Restaurant Buildings

20. KFC, A &W and Starbucks have completed their interior work and will be in a position to commence operating imminently. Mucho Burrito commenced its interior work in September 2021 is nearly complete.
21. The Receiver has been in ongoing communications with representatives of the tenants to update them regarding the progress of site work. The Receiver will be meeting with each of them shortly to discuss business issues coinciding with their commencing operations.

Gas Station and Convenience Store

22. The Receiver has engaged an architect and engineer to assist with completing drawings, and obtaining permits for completing the gas station and convenience store. It has also received a letter of intent from Parkland outlining the terms of a fuel supply agreement.
23. The Receiver is in the process of obtaining and evaluating proposals from contractors to complete the gas station and expects to be in a position to make a final decision within two weeks.

Severances

24. On November 27, 2020, the Township's Committee of Adjustments granted its provisional consent to the severance of the Real Property into 3 separate parcels. Copies of the Notices of Decision and a severance sketch identifying the proposed parcels are attached, collectively, as **Appendix F**. Subject to the conditions contained in the Notices of Decision being met or arrangements satisfactory to the Township being achieved on or before November 26, 2021, when the severances are effected, the gas station and convenience store lands will be one of the severed parcels. The leased buildings lands will be the other severed parcel and the Phase 2 lands will be the retained parcel.
25. The severing of the Real Property in this manner is expected to considerably improve recoveries for the Debtor's estate. The Receiver, therefore, recommends that it be authorized to take such steps as may be necessary to meet the conditions in the Notices of Decision or make arrangements satisfactory to the Township on or before November 26, 2021, including, without limitation granting such easements as may be required, and incorporating two companies (individually a "Newco" and, collectively, the "Newcos") to take title to the severed lots.
26. The Receiver proposes to convey each severed parcel to a Newco and to hold the shares of

such company in its name. So as not to disturb existing priorities, both severed lots will be conveyed subject to the existing encumbrances registered against the Real Property.

27. The Township will require that certain access easements be registered against the severed parcels, although the terms of the easements have not yet been precisely defined. The Receiver's real estate lawyer, planner and surveyor are working in real time with the Township to prepare a new reference plan that will identify the easements. The Receiver expects that the new reference plan will be registered after the severed lots are conveyed to the Newcos. The Township will likely require that the existing mortgages be postponed to the easements. When the mechanics are settled, the Receiver will either approach the mortgagees to execute postponements or return to Court on notice to the mortgagees for an Order postponing their security to the easements.

VII STATEMENT OF RECEIPTS AND DISBURSEMENTS

28. Rosen Goldberg Inc.'s statement of receipts and disbursements for the period from April 20, 2021 to November 4, 2021 is attached as **Appendix G**. As of November 4, 2021, the Receiver was holding a surplus of \$133,269 on a cash basis. Under the terms of the Expanded Powers Order, the Receiver is authorised to borrow a further \$1 million to fund the exercise of its powers of duties.

VIII CONCLUSION

29. The Receiver believes that all major issues that have caused delays and cost overruns have now been identified and that going forward the project should proceed to completion without further delays or surprises.

All of which is respectfully submitted.

ENDORSEMENT

Date Heard: SEPTEMBER 9, 2021

1. On April 20, 2021, I appointed Rosen Goldberg Inc. as non-possessory interim receiver of the respondent's, Mill Street Ventures GP Inc. (Mill Street), property at 305 Mill Street in Angus, Ontario pursuant to s. 47 of the BIA. The Property was being developed into a retail plaza by the respondent who was in default to its first ranking secured creditor, DUCA Financial Services Credit Union Ltd. (DUCA), who holds a first mortgage as well as other security. As a result, construction had ground to a halt.
2. The applicants also financed Mill Street's construction and hold security subordinate to DUCA's. Its loans were also in default. Their application was commenced to preempt DUCA's intention to appoint a receiver in order to complete the construction of Phase 1 of the development. DUCA consented to the application on the agreement by the applicants, as reflected in my endorsement, that the appointment order was without prejudice to DUCA and its security and its rights thereunder including, among other things, its right to bring a motion to lift the stay after 30 days and, if DUCA is granted leave to lift the stay, to appoint a receiver, the applicants would not oppose MSI Spergel Inc. (Spergel) being appointed as receiver.

3. The interim receiver's mandate was to complete the construction of Phase 1 which consists of a gas station, convenience store and three buildings to be occupied by fast food restaurants and a coffee shop pursuant to long term leases. In its first report dated May 11, 2021, the interim receiver noted that at the date of the appointment, Phase 1 was nearly complete. The appointment order authorized the interim receiver, among other things, to borrow up to \$2 million in DIP financing to complete the construction. It expected to complete construction by the end of May.
4. The DIP lender is C&K Mortgage Services Inc., carrying on business as Rescom Capital (Rescom).
5. Subsequently, delays resulting from various issues has resulted in Phase 1 still not being completed. In the fifth report dated September 7, 2021, the interim receiver estimates 4 weeks to complete which does not include the gas station or convenience store. Further, it estimates the cost to complete the construction to be an additional \$300,000 over and above the \$2 million authorized.
6. In early August, I was advised that the intention of the Applicants was to expand the interim receivership to a full receivership, and they expected to pay out DUCA by August 23rd. As DUCA indicated that in the absence of being paid out, it wanted to bring an application to appoint its receiver and Mill Street was not sure of its position, I set September 9, 2021, to decide the matter and August 23, 2021 for a status update.
7. On August 20, 2021, the applicants commenced a motion to amend the appointment order to convert and expand the status and mandate of the interim receiver to a receiver and manager appointed pursuant to s. 243 of the BIA and s.101 of the *Courts of Justice Act*. The material indicated that Rescom was to pay out DUCA conditional, among other things, on the motion being granted.
8. On August 23, 2021, having still not been paid out, DUCA indicated that it intended to commence an application to appoint its receiver. Mill Street was not sure of its position. A timetable was set for materials in advance of September 9, 2021.
9. On August 26, 2021, DUCA commenced its application (Ct. file CV-21-00667752-00CL) seeking leave to lift the stay arising from my appointment order and appointing Spergel as receiver of Mill Street.
10. In light of DUCA's application and their undertaking not to oppose, the applicants relinquished carriage of their motion to convert the interim receivership to Rescom. They support Rescom's conversion motion.
11. Mill Street filed an affidavit from Blake Larsen, its sole officer and director, which opposed both applications for receivership. Mr. Larsen indicated that Mill Street had entered into conditional agreements to sell both Phase 1 and 2, subject to approval of the court and that the monies from the sales would be sufficient to pay off each of DUCA, the applicants and Rescom. Mr. Larsen indicated he was attempting to get financing to complete Phase 1 and asked for time to complete the construction and the agreements.
12. At the commencement of the hearing, Mill Street's counsel advised that the proposed sale agreements were no longer in place and Mill Street was unable to raise any

- financing to complete the construction or pay out its creditors. If a receiver was to be appointed, it opposed DUCA's application and supported Rescom's motion.
13. All the secured creditors agree that it is both just and convenient that a receiver be appointed. There is no issue that both proposed receivers are qualified to undertake to job. The issue is which proposed receiver should be appointed.
 14. DUCA submits that it should be entitled to its choice of receiver as the first ranking secured creditor. It has indicated its intention to appoint a receiver since default and only consented to the appointment of the interim receiver on the basis it was without prejudice to its rights to seek the appointment of its own receiver. Notwithstanding various statements by the applicants and Rescom, its debt remains in default.
 15. DUCA further submits that Rescom is effectively a proxy for the applicants who agreed not to oppose its application. It denies Rescom and Mill Street's allegation that it simply wants to sell the property, as is, without completing the construction. While it has not put forward a plan, it submits that once its receiver takes possession and assesses the situation, it will return to court with a plan.
 16. Rescom submits that its motion should be allowed. As the DIP lender, it is a stakeholder and is not bound by the applicants' undertaking. It submits that it is more economical and efficient to appoint the interim receiver based on its familiarity with the project. The appointment of DUCA's receiver will increase costs and delay construction of the project. Further, DUCA has very little risk in being fully paid out. It is the applicants and Rescom whose debt ranks behind DUCCA who have the real risk. Further, Rescom has offered to "de-risk" DUCCA by paying it \$2 million towards its debt, continuing to service the debt and continuing it to rank as the first secured creditor.
 17. While I agree both proposed receivers are qualified, I lean towards extending the interim receiver. The objective is to finish Phase 1 to maximize the value of the property. There is not much left to complete. The interim receiver clearly has familiarity with the project which is important in finishing Phase 1 as quickly and as economically as possible, particularly given there are potential tenant issues that could arise with delay. Substituting Spergel at the present time will necessarily lead to increased costs and delay. While I am concerned with the delays that have occurred to date, the fact that the applicants, Rescom and Mill Street, the parties that have the most at risk, all support the interim receiver's appointment to finish Phase 1 in a timely manner negates that concern.
 18. While DUCA has not been paid out, it is and will; remain the first ranking secured creditor. Further, based on Rescom's commitments to "de-risk" it, it will not be prejudiced by the appointment of the interim receiver. Nor do I consider that Rescom is bound by the applicants undertaking not to oppose DUCA's application.
 19. For the above reasons therefore, I allow DUCA's motion to lift the stay to enable it to bring its application but dismiss the application. Further, I allow Rescom's motion and appoint Rosen Goldberg as receiver and manager, without security, of all assets, undertakings, and properties of Mill Street in accordance with the terms set forth in Rescom's revised draft order uploaded to Caselines on September 9, 2021, save and except that the authorization for further borrowings in paragraph 11 should not exceed

\$1,000,000 over and above the initial \$2 million already authorized based on the estimated costs to complete Phase 1. If further funds are required, they can be authorized.

20. If a revised order can be sent to me in Word format, I will arrange to have it signed and circulated to all parties.
21. In Mill Street's original motion record, it included as an exhibit a copy of a draft lease from an intended fuel supplier. No agreement was reached and the fuel supplier considers its draft lease confidential. Mill Street and the fuel supplier have agreed that the draft lease will be removed from its motion record and the motion record will be refiled. That has occurred on Caselines. In order to ensure it also occurs in the court file, I direct court staff to replace Mill Street's original motion record with the replacement record excluding the fuel lease and return the original to Mill Street.

APPLICATION UNDER Section 47 of the *Bankruptcy and Insolvency Act*
R.S.C.1985 c. B-3, as amended

FIFTH REPORT OF ROSEN GOLDBERG INC.

September 7, 2021

I INTRODUCTION

1. By Order of the Honourable Justice Pattillo dated April 20, 2021 (the “**Appointment Order**”), Rosen Goldberg Inc. was appointed as non-possessory interim receiver (in such capacity, the “**Interim Receiver**”) of certain real property of the Respondent Mill Street Ventures GP Ltd. (the “**Debtor**”) municipally known as 305 Mill Street, in Angus, Ontario (the “**Real Property**”) pursuant to section 47 of the *Bankruptcy and Insolvency Act* (the “**BIA**”). A copy of the Appointment Order is attached as **Appendix “A”**.

II TERMS OF REFERENCE

2. In preparing this Fifth Report, the Interim Receiver has relied upon information from third party sources (collectively, the “**Information**”). Certain information contained in this Fifth Report may refer to, or be based on, the Information. As the Information has been provided by other parties, or obtained from documents filed with the Court in this matter, the Interim Receiver has relied on this Information, and to the extent possible reviewed the Information for reasonableness. However, the Interim Receiver has not audited or otherwise attempted to verify the accuracy and completeness of the Information in a manner that would wholly or partially comply with Generally Accepted Assurance Standards pursuant to the CPA Canada Handbook and, accordingly, the Interim Receiver expresses no opinion or other form of assurance in respect of the Information.

III PURPOSE OF THIS REPORT

3. The purpose of this Fifth Report is to:
 - (a) provide the Court with information on the current status of the Real Property;
 - (b) report on and seek approval of the Interim Receiver’s activities, and its proposed activities; and
 - (c) seek approval of the Interim Receiver’s interim statement of receipts and disbursements.

IV BACKGROUND

4. The Real Property comprises a 5.3 acre lot located on a main thoroughfare in the

neighbourhood of Angus in the Township of Essa.

5. The land is partially improved, and is being developed by the Debtor into a 45,600 square foot mixed-use office and retail plaza.
6. At the date of the Interim Receiver's appointment, the first phase of construction ("**Phase 1**"), being construction of a gas station, convenience store, and three other fully leased buildings, was nearing completion. Of the three leased buildings, one is to be occupied by Starbucks and Mucho Burrito restaurants. The other two buildings are to be occupied as standalone KFC and A & W restaurants. As of the date of the Interim Receiver's appointment, construction of Phase 1 was nearly complete, although the gas station required considerably more work than the other three buildings.
7. The second phase of construction ("**Phase 2**") is not yet fully planned, though work has commenced. Completed improvements in respect of Phase 2 are limited to certain internal servicing, including storm-water receptors, sanitary pipes, and fire hydrants. Planners and consultants have been retained to assist in seeking site plan approval.
8. The Interim Receiver's appointment was sought, in part, because construction on Phase 1 came to a halt. The halt arose because DUCA Financial Services Credit Union Ltd. ("**DUCA**"), the first-ranking secured creditor, had ceased funding under its construction loan, and made demand for payment in full of its loan.
9. The Interim Receiver's primary mandate in this administration has been to ensure that construction of Phase 1 resumes and is completed, although the Appointment Order prohibits the Interim Receiver from taking possession of the Real Property without further Order of the Court.

10. Pursuant to an endorsement of Justice Pattillo dated August 23, 2021, a hearing was scheduled for September 9, 2021 to hear competing proceedings for the appointment of a ‘full blown’ receiver over the Real Property pursuant to section 243 of the BIA and section 101 of the *Courts of Justice Act*, on one hand by DUCA, and, on the other hand jointly, by the Applicants and C & K Mortgage Services Inc., the Interim Receiver’s lender who been funding the completion of Phase 1.

V INTERIM RECEIVER’S ACTIVITIES TO DATE

11. Since the date of its previous report, the Interim Receiver has undertaken the following activities:
 - Reviewed and processed payment requests;
 - Dealt with contactors and other suppliers on an ongoing basis;
 - Dealt with Petromaxx Petroleum Contractors Ltd. (“**Petromaxx**”), the project manager and supervisor, on an ongoing basis in respect of all matters relating to Phase 1 construction;
 - Had ongoing consultations with the construction professional engaged by the Interim Receiver;
 - Communicated with the project engineer;
 - Had ongoing consultations with legal counsel;
 - Had ongoing communications with tenants;
 - Communicated with planners regarding the status of development matters;
 - Had ongoing communications with DUCA and the Applicants;
 - Had ongoing communications with the Interim Receiver’s lender;
 - Communicated with other stakeholders; and
 - Dealt with banking and bookkeeping.

VI PHASE 1 CONSTRUCTION

Site Services

12. As reported in the Interim Receiver's First Report dated May 11, 2021 (the "**First Report**"), Second Report dated June 24, 2021 (the "**Second Report**"), Third Report dated August 5, 2021 (the "**Third Report**") and Fourth Report dated August 20, 2021 (the "**Fourth Report**"), the installation of a sanitary pumping station and watermain were required to be completed immediately to enable Phase 1 to progress toward completion. Copies of the First Report, the Second Report, the Third Report and Fourth Report are attached, respectively, as **Appendices "B", "C", "D" and "E"**.
13. The watermain installation has been completed. However, due to delays caused by the contractor retained by Petromaxx, who the Interim Receiver understands was attempting to connect the watermain in the wrong location, the watermain has not yet been connected to the town water supply. A replacement contractor has been engaged and the water is to be connected imminently. It appears that all impediments to the connection of water have been resolved. The required water tests will be performed during the week of September 8, 2021 with the water connection will take place on **September 15, 2021**.
14. Surface works, including installing granular base, curbs, sidewalks and the asphalt surface, have been delayed. To complete the surface works, it was necessary to obtain a topographical report and have it reviewed by the project engineer. The topographical report was received recently. The report revealed that certain curbs installed prior to the Interim Receiver's appointment were incorrectly placed and must be removed and reinstalled. The report also revealed that base asphalt, which was installed in December of 2020, was unacceptable as it

had been placed on sub-grade that was not been tested. This problem will have to be remediated.

15. It was also discovered that the sanitary lines that were installed by Petromaxx, were not flushed, and no video or reports were obtained regarding the sanitary lines. As a result, there was an abnormal amount of debris and sediment in the lines, and extensive flushing was required, which created additional cost and delay. A new contractor was retained and the lines were cleaned out and the sub-standard asphalt was removed. At present, the grading and first coat of paving are scheduled to proceed on **September 20, 2021**.
16. Assuming that the work which is currently ongoing continues uninterrupted, the Interim Receiver believes that the timelines set out above will be met. The completion of the work is, of course, dependent on the continuing availability of funding. As indicated in its prior reports, the Interim Receiver does not presently have sufficient funds. However, it has been advised by its current lender, C & K Mortgages Services Inc., operating as Rescom Capital Corporation (“**Rescom**”), that Rescom is prepared to fund the remaining construction costs if the Interim Receiver’s mandate is expanded to that of a ‘full blown’ receiver. The construction budget for the remaining items is addressed below.

Restaurant Buildings

17. The Interim Receiver has been advised that KFC, A & W and Starbucks have completed their interior work and will begin commissioning their equipment when water and sanitary connections are completed. The Interim Receiver has also been advised that Much Burrito took possession of its premises on or about August 20, 2021.
18. The Interim Receiver had discussions with representatives of KFC, A &W and Starbucks during the week of August 20, 2021. The discussions were held to address the impact of

delays in delivering occupancy and canvass their intentions with respect enforcing rent penalties. The discussions were informal as the Interim Receiver has no authority to enter into agreements with the tenants. The discussions are briefly summarised below:

- Starbucks conveyed that it is imperative to open its store within in the next few weeks in order to meet its internal deadlines. Starbucks requires approximately two weeks once the water is connected to complete commissioning its equipment. Starbucks indicated advised that it will not be in a position to address rent penalties until is store is opened.
- Similarly, A & W confirmed the need to open its store without further delay. The store will be operated by a franchisee. A & W indicated that rent penalties would be negotiable.
- KFC advised that its continued interest in performing under its lease is subject to being able to commence operations by December 5, 2021.

Gas Station and Convenience Store

19. The exterior of the convenience store is mostly complete. Construction of the interior work has not yet begun. The curbs and sidewalks must be completed. The remaining construction related to the gas station and installation of the equipment will not be completed until there is an agreement with a fuel supplier in place. The extent to which a fuel supplier will contribute to the cost of completing the gas station will depend on whether the gas station is operated by an owner/manager or leased to a tenant.
20. The Interim Receiver has engaged in significant discussions with a consultant who develops gas stations and understands that the cost to build the gas station will be approximately \$1 million and will take approximately three months to complete.

Completion of Phase 1 Work

21. On the basis of the work that has been completed since the Interim Receiver's appointment, and the expected work schedule, subject to the requisite funding being available, the Interim Receiver expects that all Phase 1 work will be completed within four weeks.
22. The cost to complete information that was provided to the Interim Receiver at the time of its appointment by the Debtor's cost consultant was significantly underestimated. The Interim Receiver estimates that an additional \$300,000 in excess of its original borrowings of \$2 million will be required to complete the work. This figure does not include the remaining construction of the gas station, sourcing and installing pumps and other equipment, sourcing and constructing the canopy for the gas bar and completing the convenience store. The figure also does not include outstanding tenant allowances of \$150,000.
23. A budget of the cost to complete the work required to deliver occupancy to the tenants is attached as **Appendix "F"**. As indicated above, Rescom is prepared to fund the work required.

VII INTERIM STATEMENT OF RECEIPTS AND DISBURSEMENTS

24. The Interim Receiver's statement of receipts and disbursements for the period from April 20, 2021 to September 3, 2021 is attached as **Appendix "G"**. There is approximately \$300,000 available after accounting for holdbacks under the *Construction Act* to utilize for continued construction.

VIII CONCLUSION

25. In view of the delays to date and the tenants requirements to begin operating imminently,

ROSEN GOLDBERG

CHARTERED ACCOUNTANTS

the Interim Receiver believes that it is critical that the existing construction schedule not be interrupted, as failure to complete the work as soon as possible is likely to significantly adversely impair realization.

IX RECOMMENDATION

26. The Interim Receiver respectfully requests that the Court:
- (a) approve its actions and proposed actions as described in this Fifth Report;
 - (b) approve its statement of receipts and disbursements for the period from April 20, 2021 to September 3, 2021;
 - (c) grant such further and other relief as necessary for the construction of Phase 1 to be completed in a timely manner.

All of which is respectfully submitted,

Dated at Toronto, Ontario, this 7th day of September 2021.
